Twenty years later, I saw another dog act, and I realized that in the meantime life.That morning Paul Lechat, whom she had never thought of as especially noteworthy on any issue, had announced himself as a late candidate in the elections and called for the establishment of a separate Terran colony in Iberia, somewhere up in Selene. He wanted to allow the people from Earth to pursue their own pattern of living without disruptive influences for the immediate future, and possibly to make such an institution permanent if it suited enough people to do so. To Jean the announcement had come as a godsend, and to many others as well, if the amount of popular support that had materialized from all sides within a matter of hours was anything to go by. Why couldn't everybody see it that way? she wondered. It was so obvious. Why were there always some who were obstinate and valued political interests before what common sense said would be for the common good, such as Kalens, who even now was reacting to Lechat as a threat and rallying his own followers to action?."One of our units at the base is expecting her. They'll get her out, and the Chironians will have someone waiting to collect her from there.".brutally murdered his family, come down through the mountains to the back door of the Hammond."I know, but I figured rd go take a 16ok at the place anyhow out of curiosity.
